

# Derby Elementary Farm to School Program

## Our F2S Goals

1. Celebrate the planting and harvest of our school garden.
2. Utilize our school garden and F2S fieldtrips in Science lessons at every grade level.
3. Provide more locally grown, fresh produce for lunch.
4. Continue monthly Taste Tests.
5. Continue Encore After-School Gardening Club.
6. Provide cooking, nutrition lessons, and menu planning in classrooms.
7. Involve the community in our F2S program.
8. Explore composting for our school.
