## Special Activities for all Students - October 31

Children in grades PreK-3 will participate in traditional Halloween activities on Tuesday, October 31. Children should bring their costumes to school to change into for the afternoon. The parade for grades PreK-3 begins at 1:45 p.m. The parade can be seen winding through the classrooms and around the track. For grades PreK-3, we request that all costumes represent positive images such as a sports player, a lady bug, or a storybook character. We do not allow scary masks, weapons, makeup or toys which may be frightening. Parents and children may check with Mrs. Urbin or Mrs. Gentry with any questions about costumes. Students upstairs will enjoy games and refreshments in the afternoon and are asked to not wear costumes to school. Additionally, we are not encouraging children to trick or treat at homes not well known to the child's family.
