## Special Activities for all Students - October 31

Children in grades K-3 will participate in traditional Halloween activities on Monday, October 31. The parade for grades K-3 begins at 1:45 p.m. The parade can be seen winding through the classrooms and around the track. For grades K-3, we request that all costumes represent positive images such as a sports player, a lady bug, or a storybook character. We do not allow scary masks, weapons, makeup or toys which may be frightening. Parents and children may check with Mrs. Urbin or Mrs. Gentry with any questions about costumes. Students upstairs will enjoy games and refreshments in the afternoon and are asked to not wear costumes to school. Additionally, we are not encouraging children to trick or treat at homes not well known to the child's family.

## Parent Conferences – October 19-21

Teachers will be coordinating dates and times for the convenience of parents with more than one child. Letters will be coming home within the next few weeks with suggested conference dates and times. Our goal is to meet with all parents and provide you with meaningful information about your child's progress.
